Bottom Line: Who was Paul Harris?

Answer: Chicago attorney Paul P. Harris convenes the first
Rotary meeting on 23 February in Room 711 of the Unity
Building in Chicago. Harris envisions a professional club that
brings together men from a variety of vocations. Out of this
simple beginning sprang the world's first international service
organization, which has now grown to include more than 1.2
million members in over 33,000 clubs in more than 200
countries and geographical areas.
