MEMBERSHIP :

As you look around the neighborhood, ask your friends and neighbors if they would like to join Rotary. Let's get 3 new members this year!

Bottom Line: Throughout its history, Rotary International has collaborated with what organizations?

Answer: Rotarians have worked with the Bill & Melinda Gates Foundation, WHO, Unicef, and local clubs to help eradicate polio. Locally many clubs have worked with non-profits in their community. Choose an organization that shares the goals and interests with your club.

Spotlight on Sue Foust

Our first spotlight is on our Immediate Past President, Suzanne "Sue" Foust, whose year and a half tenure ended July 6, 2010 with the installation of our 2010-2011 officers.

Sue was a charter member of the Mill Hall Sunrise Rotary Club in 1994, serving as Vice President that year, followed by President in 1995. Sue left Sunrise Rotary in 2000, but joined our Downtown Lock Haven Club in 2008. She served as Downtown's President for a half year in 2009 followed by a full 2009-2010 term. Sue's additional Rotary activities include Farmers Market representative, Hometown Heroes Shirt sales, and overseeing/maintaining the Clinton County Rotary website.

Since 1993, Sue has been the County Administrator of the Clinton County Farmland Preservation Program. We, of course, also know her as the Executive Director of Keystone Community Network, Inc. (aka: KCnet).

For 50 years, Sue has been married to her junior high school sweetheart, Mike. After meeting in Milton, they both went to Lock Haven University and graduated from Shippensburg "Teachers' College." Mike was employed by the YMCA for sixteen years, so their daughter, Wendy, was born while they lived in Lewisburg and their son, David, in Chambersburg. They also have nine grandchildren and one great-grandchild.

Sue's family includes her parents, about whom she said: My mother and step-dad are still living, now in Altoona. They got married in 1953 after my father died. They were hard-working – Dad worked in a factory until they saved enough to buy a dairy store, where I learned to give good service to customers. They paid cash for everything and NEVER had a mortgage or owed money for a car. Our combined family included 6 children – hers, his, and theirs.

Finally, Sue enjoys gardening, photography, quilting, knitting, and crocheting, but loves four-wheeling with Mike on their mountain property.
