December 7 Meeting

It looks good for our Christmas Family. The three teens will have a bright Christmas this year.

We moved right along into Membership and chose March 8, 2011 at Ross Library for our meeting of members and possible new initiates to meet and greet and see what Rotary is all about.

Next week we will meet at the home of Betty Schantz for our end of the year social and wrap the gifts we have for our teens. Please let Betty know 748-1990 if you are coming and whether you will be bringing guests and how many. Betty is still cleaning up from the strange December 1st flooding incident.

District Governor's Letter

Good Morning Downtowners!

I see that Birthday Greetings are in order so "HAPPY BIRTHDAY" Diane and many more as they say!

It sounds like you will be quite busy this month, I love the pick a family idea!! You actually know a bit more about who is receiving the gifts and somehow I think that gives you more satisfaction and Joy in what you have given.

I see you have your new roster for 2011-2012 picked already-Great Job! You can now start planning for the next year. Congratulations Jerri, Donna, Diane and Gail!!!

I am also happy to see that you have come up with some goals for membership recruitment for if there is one thing District 7370 needs it is more members. Your ideas are great, as is partnering with other clubs to get members. Membership is always a challenge but I have a feeling your going to do well! You may be small but your active and have a lot to offer.

Thanks for all you do in Rotary!

Till we meet again!
Connie Wydra

Jerri's Jottings

It is difficult to believe that Christmas and the first day of 2011 are almost here. I am sooooo ready for spring and baseball season to arrive. The change of seasons is one of the reasons I live in this area, but like someone told me the other day "it would be nice to have two seasons - spring and fall."

Our plans for our family for Christmas are in place and we will wrap their presents at our Christmas party on December 14th at Betty's home. Thank you all for your generosity in helping make the day brighter for others.

Your generosity does not surprise me as this group has always been a very giving and supportive group. It might be an interesting meeting sometime to have everyone share what acts of kindness they do outside of Rotary. I'm sure it would be one bountiful list.

Warmest wishes to all of you for a happy holiday season and a wonderful year in 2011.

Smile and enjoy whatever you do - see you at our Rotary meetings.

In Rotary Friendship,
Jerri
