Upcoming June is Fellowship Month

. There is a misconception among Rotarians on what aspect of the RI programs is being celebrated for this month of June. Let us clarify the issue. When we talk about "Rotary Fellowships", we actually refer to the groups of Rotarians, Rotarian spouses and Rotaractors who join together to:

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.);
- Further their vocational development through acquaintance with others of the same profession;
- Make new friends around the world;
- Explore new opportunities for service; and
- Have fun and enhance their experience in Rotary.

Examples of Rotary Fellowships include: Rotarians on the Internet (ROTI), International Fellowship of Rotarians of Amateur Radio (ROAR), International Computer Users Fellowship of Rotarians (ICUFR), International Fellowship of Rotary Convention Goers, International Golfing Fellowship of Rotarians, International Fellowship of Rotarians Musicians, Rotary Global History Fellowship, etc.

The field is so varied, which includes marathon running, scuba diving, flying, bird watching, chess, doll lovers, environment, Esperanto, go, gourmets, lawyers, magic, nurses, police and law enforcement professionals, recreational vehicles, singles, stockbrokers, venture capitalists, wine and yoga.
