## Members News

"Thanks all, Finally arrived in Pikesville, Kentucky this afternoon. What a trip. There are families living under an awning. Nothing in a week? Very sad, Lots of trailer parks. I will be doing outreach. I will be going out to find these families. Today, some workers actually had to travel by ATV to get to homes lost. 98 degrees today. I am sorry I will not be there to do FB , Really Gail!!!! but am so honored to being doing this service. I have placed my rotary pins on my red cross ID, so they are visible. Please add these folks to your prayer lists. Will post again later."
