

September 14, 2010 meeting back at KCNet Maria Boileau was not able to make the meeting to discuss the Directional Signage Project - we will reschedule her for another meeting. Discussed were various project ideas: the pancake breakfast; donation to students at both LHU and the vocational school; donation of backpacks - possibly in partnership with the Lock Haven Area Shoe Bank at the Covenant Methodist Church; donation of prom dresses - again partnering with the Shoe Bank; membership - create a data bank of names to be approached about attending meetings and joining Rotary, create an introductory letter to be sent to businesses and people in the community.
