## **CLUB ANNOUNCEMENTS**

December Program Coordinator – Jeanne Baker  
Rotary Family Month

December 18 – 5:15pm – Home of Betty  
Schantz – Wrap Christmas Gifts for our  
Christmas Family

December 25 – NO MEETING –  
*Merry Christmas - One and All*

## **DECEMBER 11 – Club Assembly at KCnet**

Newest member Christina Norelli was inducted by Assistant District Governor Brent Jones. She brings our membership to 10. Christmas Family Coordinator Jeanne passed around a list of items currently bought for the Christmas family members. She will post an update on e-mail. Pres. Jerri went over the Presidential Citation. It looks like the club is on track this year. Next meeting will be at the home of Betty Schantz where members will wrap the Christmas gifts for our Christmas family. Betty is our hostess.

Jerri's Sayings:

**“They begin the evening news with 'Good Evening,' then proceed to tell you why it isn't.”**

## **Lock Haven Community News:**

Please join us in celebrating the official opening of the **Life Center of Clinton County Thursday, December 20, 2012 1:30-3:30 pm 330 E. Main Street Lock Haven, PA** A ribbon cutting ceremony followed by an Open House and refreshments will give you an opportunity to see what we have been able to accomplish with your help.

**FLS** will have a group of **Chinese students** for a long weekend in January – January 17-20, 2013. The students will come in on Thursday; have class Friday and activities Friday afternoon and Saturday. They will then leave on Sunday. It's a very short trip and a good way to get to know the program without signing on for a long-term student. Can you pass this information to the group members? Maybe some would like to try it out (and hopefully like it!) I'll greatly appreciate it!

Christina Norelli Housing Coordinator

**Bottom Line:** In Nigeria, one of every 18 women dies as a result of childbirth. **What is Rotary doing to help?**

**Answer:** Rotarians in Nigeria are seeking to expand a program that has helped reduce maternal deaths by 60 percent by preventing and treating obstetric fistula.
