**Bottom Line:** When is New Generations Month?

**Answer:** September is designated as New Generations Month in order to focus on all Rotary activities that support the development of young people up to the age of 30. It is the responsibility of each Rotarian to prepare the New Generations by improving their life skills to ensure a better future, while recognizing the diversity of their needs. All clubs and districts are encouraged to undertake projects that support the fundamental needs of the New Generations: health, human values, education, and self-development. The RI Structured Programs for New Generations are Interact, Rotaract, Rotary Youth Leadership Awards, and Rotary Youth Exchange. **Next Week's Question?** What is Interact?
