**Bottom Line: How can you ensure that your club is pursuing a balanced service program?**

**Answer:** Service Above Self is Rotary's principal motto. All Rotarians are responsible for carrying out service projects that improve the quality of life in their community and communities around the world in all areas of service: Club Service, Vocational Service, Community Service, and International Service.

A successful service project

- Has specific, realistic goals with measurable results
- Responds to identified needs
- Incorporates the abilities of those served
- Recognizes the importance of all participants' contributions
- Uses available resources effectively
- Builds networks for future service projects
