Take a look at our new webpage. Go to -

We have a new banner and I think a crisp new design and look. I'm told there is more to come but it is a great start. Thanks to Lana Kephart working with Scott on this project.

Also thanks to Lana, she has changed the District number on our flag located on the newsletters.

Bottom Line: What does YSA stand for?

Answer:

Founded in 1986, YSA is a resource center dedicated to engaging youth, ages 5-25, as partners in solving the problems of the world. More than any generation in history, youth are addressing challenges that are stifling economic and human potential, such as environmental degradation, hunger, illiteracy, water scarcity, human rights, and communicable diseases. YSA's goals are to educate youth, teachers, community organizations, media, and public officials

in the power of youth as problem solvers and to engage youth as volunteers, as academic achievers, and as community leaders. To achieve this, YSA provides frameworks, resources, grants, and enrichment tools and has partnered with hundreds of organizations in over 100 countries. For more information visit www.rotary.org
