

**September 21, 2010 -
Round-up with Mill Hall
Sunrise Club at The Blue
Chimney in Mill Hall**

We welcomed guest and past Downtown Rotarian, Bob Little, who joined us for the evening. He was our 1st President and a charter member. Currently he and Lisle have a home in Texas, just returned from a trip through Canada in the RV and hooked up in Haneyville for a few weeks.

All members introduced themselves with a short talk about an item in their life that other members did not know.

Discussion was held on the past Fall Harvest Cooking Show - what went well, what could we change; Jerri showed us a Certificate of Appreciation she had created for Bill Passell

District Governor's Message,

Good Morning Downtowners, I love to read the newsletter in the morning gets my day started out right. One thing to add to the **Oct. 16th** date is **Operation Warm Up!** This is a district event where the clubs are collecting warm articles of clothing now and giving it to an organization of their choice on Oct. 16th. As I have said before I am trying to do some district events to bring us closer as a district. Just make sure that we have newspaper coverage to show we are out in the community trying to make a difference. Great job downtowners! Till we meet again!

Connie
