ROTARY MEMBERSHIP:

To keep clubs strong, every Rotarian must share the responsibility of bringing new people into Rotary. Even [new members](#) can bring guests to club meetings or invite them to participate in a service project.

Bottom Line: We currently have 5 Avenues of Service. Can you name them?

Answer: The Avenues of Service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

Club Service -strengthening fellowship and ensuring the effective functioning of the club.

Community Service - projects and activities the club undertakes to improve life in its community.

International Service - actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace

Vocational Service - serve others through their vocations and to practice high ethical standards.

New Generations Service - recognizes the positive change implemented by youth and young adults through leadership development activities.
