**March 26** - KCnet 5:15pm New Health Information Management Director Danny Mays, a fellow Rotarian, spoke about the privacy issues and HR (Human Resources) issues of confidentiality of hospital patients. Having worked twenty five years in the health care business, Mr. Mays currently is the HIM Director at Lock Haven Hospital as well as the Facilities Privacy Officer and Facilities Compliance Officer. Being a relative is not enough these days when health issues affect your loved ones. Unless the relative tells the nurse or doctor to speak to you about their condition, the medical attendees are not required to give you information. Some require a power of attorney. For more information concerning the Lock Haven Hospital policies, Mr. Mays can be reached at 893-5162.

Other business – remember on April 2 District Governor Jim Eberly will be visiting our club. We will be recognizing two LHU students with a Service Award. Sue will deliver our entries in the District Publicity Contest. Thank you to Pres. Jerri for organizing each entry. Remember our 10<sup>th</sup> Anniversary Celebration May 7 at Stella A's. More information will be forthcoming closer to the date. Pres. Jerri's Spotlight honoree was Rotarian Diane Whitaker, a charter member since 2003. She has held most every office from President, President Elect, Secretary, Treasurer, International Committee Chair, Program Chair, and News Editor. Mentor to Pres. Jerri twice.
