Update from Our Christmas Family

Donna received a Thank you card from Kathy Houser at CYS and another one from the father of the children that we gave to at Christmas. Donna also stopped by and talked with Kathy, and the children loved their gifts, and there were no sizing problems that she knew of. Thank you Donna for your help in making this project a success.

Spotlight on Jeanne Baker

A member of our Downtown Lock Haven Rotary Club since April 2010, Jeanne attended the District meeting in Muncy in May and the membership meeting in Sunbury in August. She also helped with the SPCA Pet Walk silent auction in May, the cooking show in September, the Elks Veteran's Day Hometown Heroes shirts sales, and various writing projects for the Club, as well as serving as the current Projects Coordinator.

Jeanne's most recent occupation was searching interior commercial projects for U.S. marketing representatives, as well as creating spreadsheets and other project reports. Her experience also includes proofreading catalog items, customer service, production supervisor, library book cataloger, trainer, employment and safety manager, and office support.

She's a member of Eastern Star and the local Cosmopolitan Club, as well as a former long-time member of The American Business Women's Association (ABWA).

Jeanne's family include stepdaughter Lisa Garren and her husband, Cliff, in Indiana; stepdaughter Linda Miller in Hanover; stepson Gregory Baker in Lancaster; "adopted" son and daughter, Lyle and Jill Ernestine and their children Joshua and Allison in Phoenix, New York; parents in Elizabethtown; and nephew Rick Noecker and his wife, Heather, and sons Erick and Joshua in Spring, Texas.

She says that singing and listening to music are always a part of her life regardless of any current or fleeting interest, along with the mountains of north-central Pennsylvania and the waterways of central and upstate New York State.

What is the new song about the work done by Rotarians?

Answer: The song is called "Come Join Us" and was inspired by RI President Ray Klinginsmith's observations of the work that Rotarians do worldwide. You can see a video of this new song at www.rotary.org in either the orchestra version or the Rotarian version.

Next Weeks' Bottom Line -

When was the first issue of what has become Rotary's magazine published?
