Bottom Line: **What are Sister Clubs?**

Answer : A sister club is a partnership between two Rotary clubs in the United States or in a foreign country expanding the international reach and service of Rotarians in both countries. Author and polio survivor Nancy Wright Beasley joined the Rotary Club of Brandermill (Midlothian), Virginia, USA, shortly after speaking to the club about her book on Lithuanian families during the Holocaust. Following visits to Lithuania in 2009 and 2010, she inspired the Virginia Rotarians to pursue service projects with the Rotary Club of Kaunas, Lithuania, which she had visited.
