We will announce our Rotarian of the Year

When I looked up the last column I wrote, I was very surprised to see that the date was March - I thought it had been eons ago. I don't have any valid reasons for not writing a column in April and May - only excuses and you don't need to hear them. I really don't know how Diane gives us The Downtowner week after week after week. I give her much credit and thanks for keeping us up to date and informed.

What a lot of celebrations we had in the last month or so. First the Lock Haven University Students, then the Central Mountain High School students as part of our Student In Service Awards. Such a joy to see these bright, energetic and fun young people

- makes you glad that they are some of our future leaders. Then the opportunity to acknowledge the work of some of the outstanding organizations in our community: SPCA, Clinton County Women's Center, Ross Library and KCnet for the Tiger's Den Community Playground. I wish we had the money and time to acknowledge all the organizations in our area, but these were fine examples of what is happening in our community.

In between those celebrations, we had the dedication of the Train Station (previously we had donated money to their cause), the golf committee meetings, the District Assembly and the joint meeting with Lock Haven and Mill Hall to celebrate 25 years of Women in Rotary, and the month long display of 25 Years of Women in Rotary at the Ross Library. Each month I keep thinking it will be a slow month and that my Rotary calendar will be "snow white" except for our regular meetings - so far that hasn't happened.

As this year is swiftly coming to a close, we once again will honor one of our club members as our Rotarian of the Year. That is always a special time for me to be able to present this award to a much deserving club member.

When I look at what we have accomplished and participated in during the past year, it is with a great deal of gratitude that I say that I am very honored, proud and happy to be a member of the DT LH Rotary club and I applaud all of you for the effort, time, friendship and fun we have shared in the past year.

Smile and enjoy whatever you do - see you at our Rotary meetings and events.

In Rotary Friendship,

Jerri
