Jerri's Jottings

Wow – I thought 2010 was a busy year for us – looks like 2011 is going to be just as busy if not busier.

The January Roundup was fun as usual – this was the first time the Lock Haven Club joined us. I hope they keep attending – it is great to have the area clubs working together and interacting. We get ideas and energy from others and it benefits all the clubs.

Donna and Scott have been busy creating sites on the Internet for us. Donna created a very interesting Facebook page for DT LH and Scott redid our website. Both have a lot of information about us, so check them out. I know very little about Facebook, but it is my understanding that if you type in Rotary when you are on Facebook, the DT LH page will show up as a choice. Our website address is

<http://rotaryclintoncountypa.org/downtownLH/> Thanks to Donna and Scott for all their work on these pages and for maintaining and updating them for us. I know it takes time to do this and I am very appreciative of their time and dedication.

The weather has not been very cooperative with us recently – hopefully it will work with us in the future. But I did see where they are predicting another storm for next Tuesday. Maybe we should do our winter meetings via email.

Our special events in March are rapidly approaching – the Membership Recruitment Program on March 8 and the pancake breakfasts on March 12 and 19. Please mark these dates on your calendar and come out and join us for these special events.

Smile and enjoy whatever you do – see you at our Rotary meetings and events.

In Rotary Friendship,
Jerri
