DISTRICT NEWS: Polio Plus

We are so close to the eradication of polio! The current issue of Time Magazine has a great article about Rotary's polio eradication efforts, the challenges we face and validation of how close we are to the finish line. Please read the article and allow it to motivate you to be a part of Rotary's great gift to the world.

On Sunday, June 2, 2013 our entire new district 7360 will be hosting a "Park it for Polio" event at DelGrossos Amusement Park near Altoona. We will have several fun ways for your club to bring the funds raised by your club and personal donations to DelGrossos. We are planning on a collector's car show, a motorcycle ride/show and a bicycle ride for those that still want to help "pedal out polio".

At 4:00 pm there will be a celebration picnic and at the end we will have a roll-call of each club to announce their total raised for PolioPlus this Rotary year through projects and donations. All the events will be open to Rotarians and the general public.

When your club has it's PolioPlus event planned please tell Mary E. Johnston mej6@psu.edu and me jeffcoup@verizon.net with when and what you are doing. Mary will list the event in the upcoming District Newsletters.

We are approaching Rotary's finest accomplishment. Michael Jackson sang: "If you want to make the world a better place take a look in the mirror and make the change"! Make sure you and your club participants are making the change, a polio free world - *Jeffrey Coup PDG*
