July 20, 2010 meeting

We welcomed District Governor Connie Wydra and Assistant District Governors Loretta Coltrane and Tammy Hunslinger to our meeting. DG Connie spoke about the vision of incoming Rotary President Ray Klinginsmith, her goals for the upcoming year and news of the 2011 Convention, which will have a country and western theme.

On display were three scrapbooks, which gave a history of our club's activities.

DG Connie asked that we prepare and send to her our history of Rotary of Downtown Lock Haven. She would like to showcase the various clubs in the District newsletter.

Welcome District Governor, Connie Wydra !

Eastern Kentucky Flood Relief Efforts Continue to Expand

LEXINGTON, KY - With the additional flooding in Eastern Kentucky on Tuesday and Wednesday, the American Red Cross has expanded its relief operations. Now operating in Pike, Carter, Lewis, and Rowan counties, Red Cross damage assessments indicate at least 250 homes have been either destroyed or heavily damaged.

Additional Red Cross staff members have been called in from around the country to assist with the relief operations. Relief efforts include immediate emergency assistance, such as sheltering, feeding, and distribution of bulk cleaning items, and client casework.

Our thoughts and prayers go with Donna as she embarks on this adventure.

Bottom Line: Rotary clubs and districts around the world can benefit from working with other organizations to carry out service projects. How does partnering with others help Rotary clubs?

- **Answer:** Make projects more sustainable
- Gain access to technical or financial resources
- Multiply the impact of a project locally, regionally, and internationally
- Inspire community leaders to join Rotary upon invitation
- Increase public awareness of Rotary club activities
